6. POLICE CHIEF'S REPORT:

a) Monthly Activity Report for January 2026:

- 1. Case Summaries and Calls for Service:** Traffic enforcement has been implemented at known high-speed areas, including Forrest Lake, Kirby Road, and Nasa Parkway, with overtime authorized to ensure adequate coverage. Additionally, we are interviewing four potential candidates to fill current vacancies, and a new 10 a.m. to 10 p.m. shift has been created
- 2. Financial Report Through January 2026:** The Chief noted that we are operating at approximately 7.8% per month, which overall will keep the budget about 4% under. Engine repairs were performed on the Tahoe, impacting the vehicle maintenance budget; however, plans to sell the Chief's Dodge Charger are expected to generate roughly \$6,500–\$7,500, offsetting those costs. The Chief will now drive the warrantied 2020 Tahoe.
- 3. Traffic Enforcement and Focus:** High schools and junior highs have experienced threats on two consecutive Fridays, including both gun and bomb threats. The FBI has traced these threats to an overseas IP address. Similar threats have also affected grocery stores in League City and Kemah. Additionally, the Officer of the Year award will be presented to Robert Butler at the Lakewood Yacht Club. In a separate operation, Flock Nova successfully tracked a dangerous suspect traveling from North Carolina and assisted the U.S. Marshals in making the arrest.

7. EXECUTIVE SESSION: N/A
